

John J. Burnett Jr. **Media Services**

I am excited about introducing my Media Service which will provide creative and effective media communication tools with a professional touch.

Whether you operate a small business, or self employed we can provide our services to accommodate short run projects at an affordable price with quick turn around.

I have experience in many of today's top web and graphic design programs which include:

- Microsoft Publisher
- Microsoft PowerPoint
- Microsoft Access
- Dreamweaver
- Fireworks
- Flash

Most of my clients have found my work to be professional, creative and esthetically pleasing as well as meets requirements at a fair and affordable price.
